Historic Hotels of America® is an official program of the National Trust for Historic Preservation and has the mission to increase the preservation, recognition, and celebration of the finest historic hotels. On October 26, 1949, Congress chartered the National Trust for Historic Preservation to advance the policies established by the Historic Sites Act of 1935 and "provide for the preservation of historic American sites, buildings, objects, and antiquities." For 75 years, the National Trust for Historic Preservation has led the movement to save America's historic places. A privately funded nonprofit organization, it works to save America's historic sites; tell the full American story; build stronger communities; and invest in preservation's future. Today, Historic Hotels of America has more than 300 historic hotels that have all faithfully maintained their authenticity, sense of place, and architectural integrity and are located in 44 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands. Historic Hotels of America is comprised of independently owned and operated historic hotels and historic hotels representing more than 35 of the world's finest hospitality brands, chains, and collections.
